

## Message from Dr Dilley

**It is with sadness that I am announcing my decision to retire from Beauchamp House Surgery with effect from August 17<sup>th</sup> 2019.**

**As many of you are aware I have been on sick leave since August 2018 -although my health is reasonably good at present, the future remains uncertain and I lack the stamina for the demands of General Practice.**

**I have worked at Beauchamp House for 30 years, during which time I have had the privilege of working alongside some wonderful people – doctors, staff and patients. I am grateful to everyone who has contributed towards such a happy working career.**

**Thank you too for the many messages of support received whilst I have been unwell – they have helped and encouraged me through a difficult time.**

**I wish the continuing partners well as they work to deliver high quality healthcare in a challenging environment – they have my full confidence.**

**Sally Dilley**

**May 2019**

We will be creating a scrapbook of patient messages, which will be handed to Dr Dilley in August. If you wish to leave a message, please ask Reception for some scrapbook paper, and hand your message back to them. Thank you 😊
