

Beauchamp House Surgery: Patient Participation Group
Membership Enquiry Form

Which group are you interested in joining?

The core Patient Participation Group (PPG)

This Group meets practice staff to discuss current issues and proposals. Meetings are usually every other month in the evenings at the surgery. If you tick this box, then when numbers allow, the PPG will invite you to attend a meeting so you can decide whether to join.

The wider Patient Consultative Group (PCG)

These patients do not meet, but the PPG may ask them for views on specific issues as needed. These patients do not see each other's contact details.
